

DEPARTMENT OF THE ARMY

CERTIFICATE OF ACHIEVEMENT

AWARDED TO

RICHARD HEWITT

As a member of the team that moved the National Ground Intelligence Center's Warehouse from the Auto Sport Complex to Seminole Place within the established timeframe. This move required the utmost from all involved to make this move a reality; from expediting the lease paperwork, to the expedited construction of the warehouse space, to the actual move of the contents in less than three days. You assisted in developing a professional looking area that will allow better service to our customers. The move was executed professionally and with utmost care of all items and was completed in record time. The end result was a timely execution of the lease and no interruption of service to our employees. Your efforts to make this happen reflect favorably upon you, the National Ground Intelligence Center, and the Department of the Army.
